

iPad Technology Recommendations for Year 3

Core recommendations:

- iPad 11" 128Gb Wifi (Gen 11) [not cellular]
- A rugged case suitable to the education environment

Minimum Specification for iPad (provided from home):

- Normal iPad size (10"-11") i.e. not iPad Mini
- Less than 4 years old
- Able to run at least iPadOS 18
- Suitable case / keyboard case

Options:

- A keyboard case with integral keyboard (recommended)
- Standard case (no keyboard)
- Insurance (3 year warranty and accidental damage cover)

*Note that detachable keyboards are **not** recommended. "Chunky" cases are also not recommended as they are difficult to store and charge.*

Extras (not essential, but can enhance usage):

- Earbuds or headphones compatible with the iPad (Bluetooth or the correct cable)
- Apple Pencil or similar stylus (must be labelled or engraved)

Important Note:

For the duration of the pupil's time at Durston the iPad will be managed and filtered by the School's MDM (Mobile Device Management) system. Currently this is Jamf School. This includes all school holidays including the longer summer holidays. The iPad will be released from the MDM shortly before the pupil leaves Durston, and once released, cannot be used in school.
